

Program:	Text Talk
Description:	Text Talk engages teachers and students in robust vocabulary instruction tied closely to comprehension. This early reading program supports grades K-3. Text talk lessons begin with teacher-led read-alouds with high-quality trade books. The lessons include child-friendly definitions, direct vocabulary instruction, repetition of words and words used in varied contexts.
Targeted Students:	Text Talk can be used with all students K-3 or students struggling with comprehension.
Format:	Whole group classroom settings or small group intervention settings
Assessment/ Progress Monitoring:	Teacher observation, student feedback
